Hey! My name is Andrew and my hobby is programming, specifically TypeScript and Node.js. I want to find my first job using my skills in these languages.

The screenshot shows a GitHub repository page for 'saxion-site'. The repository is public and has 1 branch and 0 tags. A single commit was made by AndrewKlusa, adding files via upload. The commit message is 'Add files via upload' and it was made 6 minutes ago. The commit hash is 222d4b8. The repository contains files in 'css', 'images', and 'pdf' folders, along with HTML files for 'home', 'index', 'week1', 'week2', 'week3', 'week4', and 'week5'. The 'About' section indicates no description, website, or topics provided. The 'Activity' section shows 0 stars, 0 watching, and 0 forks. There are sections for 'Releases', 'Packages', and 'Deployments'.

File/Folder	Content	Time Ago
css	Add files via upload	6 minutes ago
images	Add files via upload	6 minutes ago
pdf	Add files via upload	6 minutes ago
home.html	Add files via upload	6 minutes ago
index.html	Add files via upload	6 minutes ago
week1.html	Add files via upload	6 minutes ago
week2.html	Add files via upload	6 minutes ago
week3.html	Add files via upload	6 minutes ago
week4.html	Add files via upload	6 minutes ago
week5.html	Add files via upload	6 minutes ago
